IPS e.max[®]

A Complete All-Ceramic Restorative Solution

This course will provide you with comprehensive knowledge of IPS e.max – the ultimate in metal-free esthetics and strength utilizing both pressable and CAD/CAM technologies.

Presented by Ivoclar Vivadent representative, Joe Pickering and Nathan Courtneys.

Topics discussed will include:

- Overview of IPS e.max products
- Restorative options using both high-strength glass-ceramic and zirconia
- Indications, strength and cementation information for IPS e.max all-ceramic restorations
- Dr. Gordon Christensen's DVD presentation on IPS e.max – A Complete All-Ceramic Restorative Solution with patient demonstrations

**Location: Carmel Hampton Inn
12197 N. Meridian, Carmel, IN 46032
6:00 to 8:30 p.m.
2 CE are awarded**
